

Volunteer!!!!

Be part of making 2010 NMDA Annual Session an exceptional event by volunteering for the following:

Speaker Hosts act as a liaison for their assigned speaker by assisting them on the day of their presentation, introducing them to the audience,

accompanying them to lunch and entertaining them at dinner. This is a great opportunity to meet nationally known speakers and local experts.

NMDA appreciates our convention volunteers serving the Society in such a wonderful manner; we gladly offer each volunteer a gift of appreciation for their service.

Please complete the form below and either email it to narenas@nmdental.org or fax it to us at 505-294-9958. If you have any questions about being a volunteer, feel free to contact Nancy Arenas, Assistant Executive Director at 505-294-1368.
