- **CE Class Credits:** New Mexico Dental Association designates this activity for 1 continuing education credit. CE courses, provided by NMDA, are recognized by the New Mexico Board of Dental Health, other state licensing bodies, and the Academy of General Dentistry (AGD). In New Mexico, CE courses must be “technical or scientific, as relates to clinical care” to qualify for relicensure. Courses are designated “technical and/or scientific” or “nontechnical.” CE requirements differ from state to state, so please check with your state for specific requirements. AGD course codes and CE credit hours are shown on each course synopsis. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
- **ADA CERP:** New Mexico Dental Association is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.
- **Course Disclaimer:** NMDA makes every effort to present high-caliber clinicians in their respective areas of expertise. The presentations of the speakers, in no way, implies NMDA’s endorsement of any product, technique, or service presented in the course. NMDA specifically disclaims responsibility for any material presented. Unless otherwise noted the speakers in this program have not disclosed any relationships that would create a “conflict of interest.”
- **CE Documentation/Proof of Attendance:** You will be directed to answer two questions for each presentation as proof of attendance. When you have submitted your answers, a certificate of attendance will be emailed to you.
